The evolution of an iconic boot

The **Bronze3** retains the ultra-stable fit and durability of the Bronze2. Its new, innovatively designed mold offers superior performance.

- Textured upper
  Better grip
- Wide and spaced front cleats
  Improved drainage of fluids
- LG marking
  Ladder compatibility
- Additional SR marking
  Enhanced grip at the front and back thanks to the new outsole design
- Rear lug
  Easy to take off

- Molded ankle support
  Ankle protection
- Reinforced front bellows
  Facilitates movement with enhanced protection
- Extra thickness on the toe cap
  Improves durability

THE FRENCH-ITALIAN PARTNERSHIP

A true industry reference for more than 40 years, the Bronze boot has protected generations of builders. Celebrating 50 years of Delta Plus, this iconic model is reinvented in our excellence lab, bringing together French heritage and Italian expertise.
