MACH 5

THE MACH5 RANGE, DESIGNED FOR CRAFTSMEN, IS MADE TO TAKE YOU FAR AND ACCOMPANY YOU FOR A LONG TIME.

COMFORT

Cotton-rich fabric for greater comfort.
Fleece lined kidney protector for a better protection of the lower back against the cold.
"Loose" cut with more ease on the thighs to improve comfort.

STRENGTHNESS

280g/m² fabric composed of 40% polyester to reinforce resistance.
Cordura® yoke at the knees and bottom of the pants for excellent abrasion resistance.
Triple seams.

ELASTICITY

290g/m² fabric composed of 95% polyamide and 5% elastane.
4-way stretch.
Specific positioning of the elastane inserts to facilitate work on the knees, to climb the ladder.
