

NI975

Ideal for oily
environments
exposed to impacts

NI975

Oil-resistant impact glove thanks to its full nitrile coating

Composition:

Support: Cut and sewn | Material: Cotton fabric | Coating: Double layer nitrile - Fully coated except for the wrist | Reinforcements: Back of fingers - Thumb - Back | Safety cuff

DELTASHOCK

Smooth double nitrile coating

Increased lifespan providing total waterproofing, very good abrasion resistance and excellent grip on handled objects.

Level 1 impact reinforcement¹

Complete protection including the 'hammer blow' area.

Safety cuff

Makes it easier to put on and take off the glove.
