Fit

### Helium 20™

For workers who don't  
want to wear eyewear.

Increase protective  
eyewear compliance.

#### Product Features:

- ErgoFit™ Temples fit the contour of your head for an amazingly comfortable, secure, non slip fit even with ear muffs and headgear.
- Extended lens coverage for great protection and style.
- Neutral Pantoscopic Angle and Extended Nose Bridge to broaden fitting to Asian, African American and Mexican facial profiles.
- Distortion-free wraparound polycarbonate lens, offers superior peripheral vision and protection. Class 1 Optics.

## Other Key Product Features

- Semi-Frame design, available in clear hard coat lens, as well as clear, grey and 50% VLT Copper Blue Blocker with SuperCoat™ anti-fog coating.
- New Copper Blue Blocker with 50% VLT 'Indoor Tint' which sharpens visual acuity and reduces eye fatigue.
- SuperCoat™ anti-fog, anti-static, and anti-scratch washable coating.
- Polycarbonate lenses absorbs 99.9% of harmful UV A, B and C, 180-380nm.
- Meets ANSI Z87.1-2010+, CE EN-166.
