# Helium™ 15

At 0.52oz (15g), Helium™ 15 is the lightest ANSI Z87.1+ and CE EN-166 compliant eyewear on the market with Class 1 Optics.

Clear AF

ErgoFit™ Temples:  
Secure, Comfortable  
Fit

## Helium™ 15

For the worker who  
doesn't want to  
wear eyewear.

So light and comfortable  
you will forget they  
are on your face.

### Product Features:

Weights only 0.52oz (15g). Compliant Class 1 Optics.

Distortion free wraparound polycarbonate lens offers superior peripheral vision and protection.

ErgoFit™ temples:

- Contour to the shape of your head.
- Lie flat against the side of the head for better fit with hearing protection and other PPE.
- Light, continuous pressure secures the frame against the temple for better non-slip compliance.
