Elvex® Impact Sunglass Series Display

Customers are 5x more likely to buy eyewear if they can try it on.

- All RSG 100, 200, 300, 400 & 500 Series are Ballistic Rated! 7x the energy of the ANSI Z87.1 high velocity test. Tested to US Military Standard MIL-PRF-31013 Impact Test.
- Impact Sunglasses have pre-attached tags with UPC bar codes for easy scanning, transactions and inventory management.
- Five Eye Catching Impact Sunglass Styles, available in various lens tints and frame colors to satisfy a broad range of customer needs.
- Elvex Counter Display allows a full view of the Impact Sunglasses to attract customers to try them on and experience the quality, comfort and fit of Elvex.
- If you order 48 pairs, you get the display for FREE.
- Display holds 12 pairs of Impact Sunglasses. Easy to Set-up and Keep Stocked.
