

IRAZU

High end, ultra light
and panoramic
goggle.

Large headband

Distributes force on a wider area (+45% vs classical goggle) : less pressure applied around your head

Minimalist frame

- Increases the field of view
- Reduces weight : 75g only
- Matte blue finish prevents unwanted light reflection and glare : less fatigue for the eye

Water and dust proof

Keep away dust and splashes of liquids from your eyes, whatever the direction

Reinforced coating

- Anti-fog N
- Anti scratch K

Toric shape for panoramic view

Reduces head movement to see surroundings : less stress on the cervic spine and more direct environment awareness

Articulated and removable clip

- Adapts to your needs even with hard cap and respiratory protection
- Allows the strap to be washed

Soft and thin nose bridge

- Relieves pressure on delicate face area
- Compatible with respiratory protection
